The difference is in the detail

The **VUFOLD** difference. It's in the detail.

“What’s so amazing about Vufold? Everything!”

(Emma Russell) ★★★★★

Our aim has always been to create products we'd want in our own homes. So we started by taking every detail and designed out any weaknesses or flaws, to make Vufold doors easy to fit, easy to maintain and simply beautiful.

Now, how many other manufacturers go to such lengths?

“Unbelievable! Everything’s been so well thought-out.”

(John Green) ★★★★★

We believe little things make a big difference. Look at the track cover on our Supreme bi-folds for example, that removes for easy cleaning. Or the fact we finish all our external timber doors to a closed pore standard so water runs off more easily. We completely assemble every Status door set before it leaves the factory too, to make sure the glazing's perfectly balanced so opening them is a breeze.

“Fantastic – they’re a dream to fit. 5 stars!”

★★★★★ (Richard Brandon)

Once you've ordered your doors, naturally you want everything to go smoothly. We package our products so well, last year only 7 of the 13,000 doors we sent out were returned and for easy installation, our fitting kits include everything – and we mean everything! Every possible drill bit and fixing you need is in there, meticulously labelled and laid-out step-by-step to take out all the hassle.

“Wow! Other companies should take a leaf out of Vufold’s customer service manual!”

(Liam Parker) ★★★★★

No other manufacturer comes close to giving you as much care and attention either.

We’re really proud of our products, and our Sales team will be happy to guide you through the ordering process, guarantee delivery and double-check everything to make sure it’s right. If you or your installer needs to check something during installation, our dedicated Customer Service team is on hand to help in any way they can. If there are any hitches at all – anything – we’ll sort it quickly too. In fact, we resolve almost 70% of cases within an hour, and 98% within 24 hours.

We’re so confident in our products, we even give you a minimum 10-year guarantee on all our doors and windows with up to 15 years on some ranges – unlike the 2 years some manufacturers offer.

Our prices include everything too – such as VAT and delivery is free – with no hidden extras, to make it easy to see how beautifully affordable Vufold products really are.

Amazing...that’s what our customers think...

“Fantastic product and one of the best companies I’ve ever dealt with. Doors made to an excellent standard and great value.”

(John Christie) ★★★★★

“Excellent set of doors, easy to install, simple instructions and great value for money.”

(Michael Castle) ★★★★★
